## Band

The Band began its busy schedule with the presentation of programs during the half-time intermission at the home football games.

The annual potluck was held in the gymnasium along with three concerts during the year. On December 20, the members of the Band went caroling for the purpose of helping to make Christmas more merry for the ill; also food was given to the needy.

After entering the state contest, the members of the Band went to Chicago to see "The Flower Drum Song."

As the time arrived for Commencement, the year, which was a busy one, was at its climax; however, the members enjoyed the activities of the year to the fullest extent.

## Choir

'Twas the night of December 13, the second night for the earth to be covered with its first twelve-inch winter blanket of beautiful, white snow creating a real seasonal atmosphere when the traditional Christmas program was presented by the Choir in Edison Gymnasium. Another Holiday festivity was the Christmas dance on December 22. The candidates for the king and queen of the dance were: Guy Miller and Marcy Steen--sophomores; Gerald Eaton and Elona Dragash--juniors; Carl Johnson and Carolyn Zubek--seniors. The king and queen were Guy Miller and Carolyn Zubek.

Following the Christmas vacation, the members of the Choir began a busy schedule of preparing for the district and state solo and ensemble contests, the district contest and the annual spring variety program.

## Student Council

Several projects, one of which was the annual Homecoming Dance following the Edison vs. Edison football game on October 14, were sponsored by the Student Council. Other projects were helping in the lunchrooms, lockers, monitors in the hall, and the Student Court in which students were tried for violating the laws of the school. At the close of the school year the officers were elected for the next school year.

President Richard Lee and his helpers decorated the Christmas tree in the foyer, which added to the Christmas spirit during the two weeks before the Christmas vacation.

## Honor Society

Jacqueline Anton, Treasurer; Mr. Kurozovich, Sponsor; Bernard Spencer, President; Richard Skeens, Vice-President; Nancy Major, Secretary.

The East Gary Chapter, No. 7837, experienced another successful year in honor society activities. The year started with the induction and installation of officers and members in December. This was to be followed by two projects sponsored by the society. Later in the year the members with their sponsor spent a day appreciating an aesthetic program in Chicago. Although the Honor Society is one of Edison's youngest organizations, this year, its goal was the starting of a scholarship fund to aid graduating students needing college assistance.

## Future Teachers of America

The Virgil I. Bailey Future Teachers of America organization was formed to help students decide whether or not they should go into the teaching profession. This year, the purpose was accomplished by means of a six week's cadet teaching program, and the annual trip was taken to Purdue University. Funds were raised from the sale of hot dogs at the noon hour every Tuesday, a bake sale, and babysitting for the P.T.A.

## Sunshine Society

On November 20, the Sunshine Society began the activities of the year with the installation of its new officers and the initiation of the new members. Each year, the Sunshine Society is organized in order to spread good will throughout the school and community; thus, on December 16, Christmas Cheer Baskets, which were donated generously, were distributed to worthy families. On February 11, the annual Sweetheart Dance was held. In the spring a breakfast was served for the new members, and the year was closed with a banquet in honor of the senior girls.

Baskets of Christmas Cheer were prepared by the girls.

## Homemakers of Tomorrow

East Gary's Homemakers of Tomorrow began the year by electing officers for the 1960-61 school year. A trip to Marshall Field's in Chicago was taken during the Christmas holidays. The traditional initiation tea to bring new members into the club was held on January 8. A dance was also sponsored by the club. The year was concluded with the annual fashion show.

Homemakers, also, gave joy to others during the Christmas season.

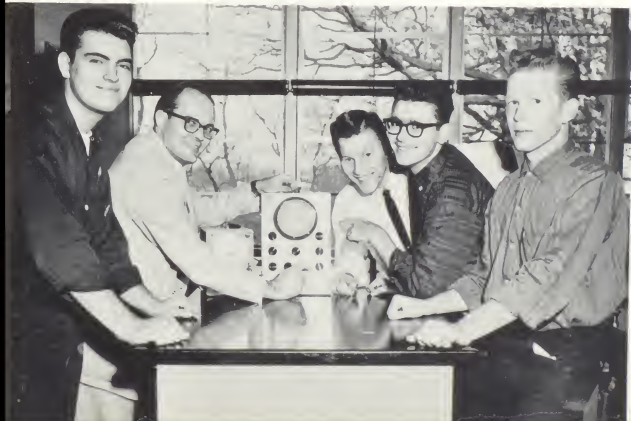

Daniel Neitzel, Treasurer; William Poe, Vice-President; Ivan Jahns, President; Richard Lee, Sergeant-at-Arms; Gary McDaniel, Secretary.

## Physics Club

On November 16, the members of the Physics Club took a field trip to the Museum of Science and Industry in Chicago. The purpose of the trip was to develop a further understanding of science. For a social activity a Mystery Dance was sponsored by the club on January 13.

## E-Men's Club

To become a member of the E-Men's Club, a student must earn one major letter in one of the major sports: football, basketball, baseball, track, or cross-country.

The activities of the club were selling programs at football games, selling popcorn and taffy apples at basketball games, and sponsoring the Faculty-Alumni and Senior-Faculty games. The profits of these activities were used to send the senior football players to the Chicago Bears vs. the Dallas Cowboys football game and the senior basketball players to the state finals and to help furnish funds for the purchase of senior award jackets.
